

# Mrs. Halvorson's Newsletter September 23<sup>rd</sup>, 2013

## Popcorn Words: I the

\*\*\*We will search for these words that 'pop' up in all of our stories!\*\*\*

We are learning the name and sound of Pp. We are also practicing our whisper voices during center time.

**In reading**, we are learning that we can read well for longer periods of time by rereading favorite books, practicing reading every day, and reading for a variety of purposes (Ask your child: "Is this book entertaining or informational?"). We are reading P books (Pete the Cat & Lilly's Purple Plastic Purse) and books with our popcorn words (Guess How Much I Love You).

**In handwriting**, we are practicing the numbers & words *three* and *four*.

**In math**, we are starting Topic 4: Comparing Numbers (01-10). We will read Count All the Way to Sesame Street and George's Store on the Shore.

**In writing**, we're still labeling our pictures. The words we are focusing on labeling are jet, yak, sun, ox, and kid. When you see these words in the books you are reading at home, be sure to point them out!

**Don't Forget:** Thank you for signing up online for parent teacher conferences! Please send in Labels for Education & Box Tops Friday!
